

Our range of sauces brings the authentic flavors of Vietnam to global kitchens, with a focus on both taste and quality.

We offer chili sauce in various spice levels and naturally brewed soy sauce, crafted from selected ingredients to ensure rich flavor and consistent quality.

Suitable for dipping, cooking, and seasoning, our sauces meet international food safety standards and are available in a variety of retail and foodservice packaging.

We also offer OEM/private label services to support our partners in building their own brands in local markets.

BAN MAI CO., LTD.

Trusted Supplier of Canned & Frozen Fruits, Vegetables, and Sauces from Vietnam

Founded in 1997 in Hanoi, Vietnam, **Ban Mai Co., Ltd** began its journey as an importer of machinery goods. In 2005, recognizing the potential of Vietnam's rich agricultural resources, we strategically shifted our focus to the export of high-quality agricultural products.

Since then, **Ban Mai** has steadily grown into a trusted global supplier, proudly delivering good stable quality canned and frozen fruits, vegetables, and authentic Vietnamese sauces such as chili sauce and soy sauce.

At **Ban Mai**, we operate with a clear mission: to bring the best of Vietnam's agriculture to the world. Our core philosophy is centered on customer satisfaction, product quality, and continuous improvement.

We go beyond simply supplying products — we are a solution oriented partner.

Ban Mai Co., Ltd

— BETTER QUALITY FOR BETTER LIFE —

Our canned fruits in light syrup are made from freshly harvested, ripe tropical fruits sourced from trusted farms across Vietnam.

We offer a wide range including pineapple, lychee, mango, and tropical fruit cocktail..., carefully processed to preserve their natural flavor, color, and texture.

Packed under strict food safety standards (FSSC and ISO 22 000), our products are ideal for retail, food service, and industrial use.

With customizable sizes and private label options, we cater to the unique needs of markets around the world.

Our pickled vegetables offer a delightful balance of tangy flavor and crisp texture, made from freshly harvested produce such as cucumber, tomato, sweet corn, and mixed vegetables.

Preserved using traditional brining methods enhanced by modern food safety practices, our pickles retain their vibrant color and crunch.

Ideal as side dishes, sandwich toppings, or salad ingredients, they are a popular choice for both home kitchens and foodservice operations.

We offer flexible packaging options and OEM/private label services to meet the preferences of global markets.

PICKLED VEGETABLES in Jar

FROZEN FRUIT & VEGETABLES

Our frozen fruits and vegetables are quickly processed using IQF (Individually Quick Frozen) technology to lock in their freshness, nutrition, and natural taste.

We offer a wide selection including sweet corn, pumpkin, carrot, potato, lychee, mango, passion fruit, and more sourced directly from Vietnam's fertile growing regions.

With strict quality control from farm to freezer, our frozen products are ideal for smoothies, baking, cooking, and industrial applications.

We provide custom cuts, blends, and packaging to suit diverse customer needs in retail, foodservice, and manufacturing sectors.
